MISSIONARIES TO THE PEOPLE OF

Iceland

January 2021

Dear supporters,

In the Rear-view Mirror

This past month has been absolutely amazing. God has blessed us yet again. Financial blessings, unexpected meetings, and answered prayer has filled this month with amazement. God has been so good to us. We also have had the opportunity to arrange meetings taking us from Asheville, NC all the way to Washington state and back! We are praying for God's will with these meetings and trusting Him to provide as we have seen Him do so many times. We also have had the opportunity to begin sending out 200 letters across the country to churches and pastors proposing a digital solution to our monumental obstacle that we have not been able to overcome since March of last year. Please pray that as we send out these letters, God will speak to the hearts of these pastors that we might see many digital meetings in the months to come.

The Road Ahead

Soon we will be making trips to Florida, then off we go to Washington State. With so many miles being put on our vehicle we are thanking God for providing the means to acquire a newer vehicle, however we would still ask that you join us in praying for the vehicles safety as we will be on the road for over a month. God has taken care of us before, so I am not doubting Him now, but I also know not to put too much faith in man's machines. We are so excited to see how God uses this trip to increase our faith and our support. He has helped us make this trip possible, and we know that he will help us see it through.

Fun Fact about Iceland

If you enjoy swimming, Iceland might be the place for you. Because of the volcanic activity we talked about in last month's letter, there are several "Hot-springs" around Iceland that are warmed by the geothermal activity below the Earth's crust allowing Icelanders and tourists alike to swim in warm water all year round.

sincerely,
The Sears Family
