In the Rear View Mirror

Great things happened this past month. As we served in many different ways, we saw God continue to bless and use us for His glory. This month was quite the whirlwind. We began the month cleaning up and reorganizing the building along with Pastor Weimer and many volunteers from the church. After just finishing our Homecoming conference, we had a lot to do in preparation for camp which was just a few weeks away. During this transition, we still held our regular services throughout the week. It is such an awesome opportunity to see people grow through these times. All of the summer camp volunteers moved into the church the Saturday night before camp began. We used this opportunity to meld together as a team, decorate the building, come up with team cheers that would be used throughout the week. During the week of camp, the theme was "This Was Your Life" and we encouraged the campers to think about the consequences of the decisions they make. We had one salvation, and many decisions during the week to never drink alcohol, never smoke, never vape, and to stay away from sin. We are so grateful for this wonderful outcome and it was so encouraging to see these children make such great decisions for Christ.

The Road Ahead

This month we will return to a much more normal schedule as we transition back to our normal building setup. By the end of the month, we will have our "Sunday School Graduation Sunday" where the Icelandic children will transition into their new grades many of which will have new teachers. We are so thankful for the opportunity to serve God here in Iceland.

Project Mark 2:5

We are so thankful to the many churches who have already given to raise funds for a van. God has used you to raise nearly 50% of the needed funds. Special thanks to our sending church Coastal Light Baptist Church, and Swannanoa Heights Baptist Church for your generous donations towards this need.

Sincerely,

-The Sears Family
