In the Rear View Mirror

What a wonderful opportunity we have had this month to work in the ministry and see God give some fantastic growth. We began September with a "Back to School" event where we held a mini carnival. We were excited to see a boost in attendance in our Icelandic ministry. We also had planned a new arrangement of the Sunday School classes and their teachers. Having now completed our first month of this newly arranged program, we have been excited to see God do some amazing things in the lives of these young people. Just like many other "bus ministries," a majority of the children and teenagers that attend come from broken homes and have a very unstable and unpredictable life. We are honored to be able to teach them God's Word and show them that a better life is available through Jesus Christ. Pictured above is the 7th grade and older class where Pastor Patrick and I have been able to teach them that God's word gives strength just as food gives strength to the body. It has been such a fantastic opportunity to see this group learn the Bible and also to see many of

them quoting Bible verses each week. In addition to this, I had the tremendous privilege of teaching and preaching four times in English and five times in Icelandic. Megumi has also been teaching the Icelandic 1st and 2nd grade class. (pictured left) These little children have been learning about how amazing God is through the stories that God

has given us in the Bible.

has given us in the Bible.

The Road Ahead

We are excited to see what God will do this month here in Iceland. William and Phyllis will be returning to Iceland this month, and we are thankful that we will have them back and look forward to seeing God use them. We are eager to seek new avenues and find ways to present people with the truth of the gospel. Thank you so much for your continued prayers.

Sincerely,

-The Sears Family
