Thank you for your constant, faithful prayer and support for our family. We are encouraged by the many emails we have received over the past several months reminding us that we have a host of believers standing behind us. We have been so blessed to stand as a witness of God's gift of salvation and also the life He has called us as believers to live in Him. In April, we were able to serve and minister in several areas. As always, Megumi and I continued to teach our Icelandic Sunday School classes. We are so thrilled to be able to teach these precious young souls about the stories of the Bible and how they are more than simple stories, but truths that can be learned from and change the life of the listener. I also had some additional opportunities to teach and preach in our English services. During one of our mid-week Bible Studies, I had the privilege of walking a group of men through how to study their Bibles. It was very encouraging to see several of these men ask questions, and give feedback about how they study their Bibles. We looked at different tools, dictionaries, and methods for interpreting God's Word correctly, and "rightly divide the word of truth." I encourage you, if you do not have a system in place or a process you follow in studying God's word, find one. We are called to be ready to give every man an answer, and how can we, if we do not study. We, as I am sure many of your churches do, have a larger attendance during our Sunday Morning service as opposed to our mid-week Bible study. For the month of April, we began advertising free special coffees to those who attended our Thursday services. We made frappuccinos, lattes, whipped coffee, lemonade, and more each week and saw several visitors attend our Bible studies.

The Road Ahead

Summer camp is rapidly approaching, and we are getting ready. We have 23 children who have already registered to attend, and we are praying that God would allow us to see more come. Please continue to pray for us as we prepare for this amazing week. We want to give a special thanks to the churches and individuals that have given to sponsor children for this camp. **New Manna Baptist Church, Mount Calvary Baptist Church, Park Street Baptist Church and others, THANK YOU!** We have plans to do some construction, paint, clean, advertise, and more that will be taking place over the coming weeks in addition to the regular events of the week. Please also pray for our pastor, who is currently in the U.S. on furlough. He will be returning with much to do and a little time to do it.

Sincerely,

-The Sears Family
