In the Rear View Mirror

From mowing the lawn, painting walls, cleaning rooms, building maintenance, and more, we have been busy working in preparation for Summer Camp 2026. One of the many things we have been able to get done is to build a very simple shoe shelf. This may seem like a small and rather unmentionable project, but it has proven to be very useful in several ways. It is quite normal for Icelanders to take their shoes off whenever you enter a home or business. From the dentist, school, or other businesses, this is a common practice. In addition, this reduces the amount of dirt and scuffs on the floors dramatically. It may be a small change, but we have loved having this. Both Megumi and I had several additional opportunities to teach this month as well. We count ourselves privileged to take God's word and teach it to those who are hungry for the truth. One constant I have found in these opportunities is that, even if no one listens or remembers what I taught, I am always encouraged, challenged, or convicted by the study of the Bible. One of the major preparations we were able to accomplish this month was the purchase of the non-perishable groceries needed for Summer Camp. Because of your faithful and generous prayer and giving, we were able to purchase everything we needed except for what the stores did not have in stock. We are so grateful for your participation in this. With a team of five adults, two children, and a total of seven shopping carts full of supplies, we were able to get this done in one stop. We still have much to do, but we are nearing the final stages of preparation and growing very excited for what this month holds.

The Road Ahead

With Summer Camp drawing ever closer, we are praying that God would begin, even now, to work in ways that only He can to prepare the hearts of the campers and workers that will be in attendance. We have also added to the schedule for this month. There is a couple who have been attending our services quite faithfully for a few months now, and they are going to be married just before we kick off our summer camp. We are so excited for how God is working and growing in their lives. We have also seen a few other young individuals begin attending faithfully and asking some very pure, honest questions about God and His word. Thank you for your prayers for our ministry; it is because of you that we are able to continue telling these people of the love of God.

Family Update

We are excited to announce that we are expecting baby number three! In addition to that, our son Everett has officially graduated kindergarten. It is wild to realize how quickly your children grow up.

Sincerely,

-The Sears Family
